GYM CARD POLICY INFORMATION:

Sharing your Key Card or Giving Others Access: For ethical, school safety, and liability reasons, the key card should ONLY be used by the paid member. Do not share your key card with your children, spouse/significant other, friend, etc. If you are sharing your card with someone else or letting others into the gym with you, YOU WILL FORFEIT YOUR OWN MEMBERSHIP. If there are others that want to use the equipment, they need to pay the membership fee and sign the *Silverton School Gym Assurances* form and the *Silverton Gym Assurances Membership Agreement and Release of Liability* form.

School Aged Children:

School aged children are NOT allowed on the weight equipment even with a parent. The only exception is for 11th and 12th grade students who have been granted a Student Membership.

Elementary Aged Children and Younger: Elementary and younger students may accompany their parents to the gym, if the parent is a paid Gym Membership member, AS LONG AS NEITHER THE CHILDREN NOR THE PARENTS are on the weight equipment. Parents and children may play in the gym space together, but all elementary aged or younger children require direct and active parent supervision to be in the gym. If the parent wants to use the weight equipment, the children need to go home.

Security Cameras:

As a reminder, for safety and security reasons, there are multiple 24 hour surveillance cameras monitoring the entrances, the gym space and the weight equipment area. This video data is stored on our servers and may be used to as the basis to document inappropriate use of the gym space or equipment which would lead to a cancellation of your gym membership.
