- ☐ ALL students MUST purchase 1 box of 24 Ticonderoga pencils (seriously, they are the world's best and we must have them) Our class will share these throughout the year.

Optional items for individuals to purchase (I also have duplicates in the classroom, so it is not necessary that students purchase all of these items. Please do so only if it is financially possible and enjoyable for you and your child.)
- ☐ 4 Erasers
- ☐ 3 glue sticks
- ☐ 1 box of markers (Crayola are best)
- ☐ 1 box of colored pencils
- ☐ composition book
- ☐ small (size of a hand) stuffy to use during mindfulness time

To create uniformity and equanimity in our classroom, I will supply additional learning supplies for students including project folders, writing notebooks, art supplies, and practice workbooks.

Snacks: Instead of a classroom supply fee, this year I would like to offer to provide snack for the class each day. Students can pay $20 for the year and I will make sure your child eats a healthy snack each day. Your child is welcome to continue to bring his/her own snack, however I would like to encourage your participation in the Barney Snack Program so that if your child forgets a snack or needs more, we can be sure there is enough food for everyone. Snacks with a lot of sugar, salt or fat do not belong in the classroom. I will hold on to that food until the end of the day and return it to your child for after school consumption. Examples include chips, Cheetos, cookies, chocolate milk, high sugar yogurts, etc.

Supplies left in good condition from last year are perfectly acceptable and are a thoughtful way to reuse and help the earth!
