HIGH SCHOOL ONLY- Recruitment Permissions

Our District receives funds from the federal government under the Every Student Succeeds Act (ESSA) of 2015. The law requires that districts must, upon request, provide to military recruiters, colleges and universities, access to the names, addresses, and telephone listings of high school students. Students or their parents or guardians may request that the student’s information NOT be released by the district without prior written parental consent. **Please initial the following based on your preference.**

	I give permission for information to be released to both military recruiters or colleges and universities.
--	--

	I give permission for information to be released to colleges and universities, but not to military recruiters.
--	--

	I do not give permission to release my secondary student’s information to military recruiters or colleges and universities at any time.
--	---

	DO NOT release my high school student’s information to military recruiters, colleges or universities until you have first obtained my written parental consent.
--	---

Are there any clarifications or additional insight you would like to give us regarding any of these permission questions?

MEDIA PERMISSIONS

Please initial to indicate your media permission preferences.

Media Permissions, Part One - School Specific Media Releases

Photographs, video images and school work of students are regularly used and displayed for classroom, school wide, after school programming, and school based grant related purposes. I understand that my child's picture and school work will be identified by first name, last name, and grade level. These images may be used in the following ways : School website; school based social media sites including Facebook, Instagram and other relevant sites; school newsletter; brochures and handouts; grant applications and reports; and photos and school related work published in the Silverton Standard. Please initial your one response below.

I give permission for my child's photo, image or work to be displayed for any classroom and school purposes including after school activities and events.

I want to be notified before my child's work is displayed in any format for any reason. I understand the School will make every effort to honor this request but that an occasional image or photo may be inadvertently displayed given the high level of activity students are typically involved in.

I am generally comfortable with my child's work and image being displayed but I am concerned about

I DO NOT want my child's photo, image or work to be displayed for any school related purposes in any format to be distributed to the general public.

Media Permissions, Part Two -Partner Organization Media Releases

Photographs, video images and school work of students are often requested by partner organizations to demonstrate the connection and work that other organizations provide in support of the Silverton School Program. These images are typically used for an organization's print and social media including Facebook pages, newsletters and reports. The use of your child's picture and/or school work will be identified by first name, last name and grade level. These images may be used in the following ways: organization's website, Facebook, Instagram, and other social media accounts; newsletters and reports, newspaper articles, brochures and handouts. Please initial your response below.

I give news organizations such as the Silverton Standard, Denver Post, Durango Herald and other legitimate print newspapers permission to display my child's photo, image or work as long as the School has approved the school related content and purpose in advance.

I give the Town of Silverton, Kendall Mountain Recreation Center, Mountain Studies Institute and other local organizations as approved by the School administration permission to display my child's photo, image or work as long as the School has approved the school related content and purpose in advance.

I give permission for the school to post on Silverton School Social Media sites (Facebook, Instagram, Silverton Website).

I give grant foundations who have granted funding to the Silverton School permission to display my child's photo, image or work as long as the School has approved the school related content and purpose in advance.

I want to be notified before my child's work is displayed by a partner organization for any reason regardless of whether the School has approved the school related content and purpose in advance.

I DO NOT want my child's photo, image or work to be displayed in any format for any partner organization to be distributed to the general public.

HEALTH and COUNSELING RELATED PERMISSIONS
